This mower has a flat tire. Can you help the mechanic find his way to the mower to change the tire and get the mower back in the race?

Do not make *any* adjustments to your lawn mower without first removing the blades, and be sure to have adult supervision.

If you would like to learn more about lawn mower racing and see videos and pictures, please visit our web site at [www.PALMRA.com](http://www.PALMRA.com) or [www.USLMRA.com](http://www.USLMRA.com)
